RULES OF CADET CONDUCT

In the Classroom:

The classroom is a learning environment. Cadets will come to class on time and be prepared for the day's scheduled activities. Courtesy towards teachers, fellow students, and school officials is mandatory. **Cheating will not be tolerated.** Cheating includes any form of deceit, at recitation, practical work, quizzes, or exams.

Daily Classroom Routine (All Classes):

- When entering the classroom, go directly to your seat.
- Treat everyone with respect and dignity all the time.
- Bring notebooks, to include Cadet Handbook and Cadet Guidebook, and pen or pencil to every class.
- At the bell, the class leader will call the class to attention. The class will come to attention and remain at the **Position of Attention**.
- At the direction of the class leader or designated representative, the class will recite **“The Cadet Creed” and/or Corps Values**.
- Upon completion of roll call, the class commander will call **“Ready, Seat”**. The class will sit at the position of attention until given the command to **“Adjust”**, the Cadets may then relax in their seat, however, no talking is allowed.
- No Food or Drink** is allowed in the classroom area unless specifically authorized by the Instructors.
- Cadets must **raise their hand** to be recognized.
- Cadets will use Sir or Ma’am** when addressing or answering Instructors, Teachers or Faculty.
- When asking for permission or assistance, say **“Please”** first.
- Do not interrupt the Instructors conversation. Wait for acknowledgment and then say, **“Excuse Me”, Sir/Ma’am**
- When a request is granted, say **Thank You**.
- When the “end of class bell” rings, the instructor will call the class leader to dismiss the class. Class leader calls the class to **Attention**, gives necessary commands, then gives the command to **dismiss**.
- Cadets will be sure to take all personal items and trash when dismissed from the classroom and will be in the proper, complete uniform of the day (the uniform may be adjusted at faculty discretion to mitigate exceptionally hot or cold conditions).
- All “Head Calls” (Restroom breaks) should be made before or after class.
- Each Cadet is responsible for reading the Information Board to keep informed of what is going on. **NOT reading the board is no excuse for not knowing what is required**.

Cadets are expected to maintain high standards of appearance and conduct on and off campus.

APPEARANCE AND GROOMING STANDARDS

Cadets are REQUIRED to comply with MCJROTC grooming and personal appearance standards as stipulated in NOMMA regulations and Marine Corps Order 1533.6E. Personal appearance and wearing the uniform is a significant part of a cadet's MCJROTC grade. The grooming regulations apply to military, NOMMA and civilian attire when worn in conjunction with Academy functions. Grooming and personal appearance standards are required to be followed daily and at all NOMMA events (i.e. graduation, prom, dances, sporting events, summer camps and extracurricular activities, etc.).

Cadets who refuse or repeatedly fail to adhere to the prescribed grooming and personal appearance standards will receive disciplinary action according to NOMMA discipline policy.

1. **Common Standards:** All haircuts/hairstyles, for both male and female cadets will be checked every day, during inspection, and if not meeting the regulations could be grounds for disciplinary actions.
 - a. Haircuts and hair styles are not permitted to be faddish or eccentric. Cuts or styles with shaved or designed portions of the scalp are not permitted. Braids and/or derivations of braids, including locks and twists, may be permitted for females only if hair is secured in accordance with the female hair regulations noted below.
 - b. No designs are allowed to the hair; only a natural (not shaved) part is authorized.
 - c. Hair must be a natural color (blonde, brown, black) and be consistent over the entire head (i.e., uniform highlighting and frosting are allowed; multi-colored patches, spots or braids are not allowed).
 - d. Hair extensions **MUST** conform to the female long hair regulations.
 - e. Hair styles **MUST** not interfere with the proper wearing of the USMC cover.
 - f. Shaving/slashing of eyebrows is **NOT** authorized and will result in disciplinary consequences.

2. **Male cadet grooming and haircut standards:**
 - a. Hair will be closely trimmed on the sides and back, washed and neatly combed, **graduating** (fading) from zero inches in length at the hairline in the lower portion of the head and ears to a maximum of 3 inches in length at the upper portion of the head; and will not extend over two inches above the scalp. Hair must follow the contour of the head.
 - b. Hair cannot touch the ears. If you can pinch and hold on to hair at the neck, sideburns or ear hairline, it is too long.
 - c. Hair must be faded (as opposed to Blocked). A fade is a gradual decrease in the length of hair at the top of the head to zero at the neckline and above the ears. The fade follows the natural contour of the head. A blocked haircut refers to cutting the hair straight across in a definite line where the hairline meets the back of the neck and around the ears. It is sometimes also referred to as "squaring off" the nape. See the diagram below for the difference between faded and blocked hairline. The fade is the **ONLY** style of haircut allowed. The area to be faded includes the sideburns, around the ear, and across the back of the neck.

- d. Sideburns will not go below the top of the ear orifice (place your index finger in your ear, your sideburns cannot go below the top of your finger).
- e. Locks, twists, sculpting, spiking of hair or excessive directional flow change is not authorized. This also includes the use of any other items such as a sponge/other items that will create coils, curls and twists in the hair - IS NOT AUTHORIZED.
- f. Male cadets will be clean-shaven daily. Mustaches are the only facial hair authorized for male cadets. Mustaches must be trimmed so that the hair does not fall below the top edge of the upper lip and does not extend past the corners of the mouth. Beards of any kind are NOT authorized.
- g. Cadets with a facial skin condition may be temporarily allowed to not shave after first turning in a doctor's note to their MI. The doctor's note must state the following: skin condition, treatment plan and date of expiration. Re-evaluations to maintain the "no shave chit" will be required. When allowed a No Shave Chit, you must keep the facial hair neatly trimmed as close to the skin as the medical condition permits; stubble may be allowed, beards are still NOT permitted.

3. Female cadet grooming and hairstyle standards:

- a. Female hairstyles must be neat, professional, conservative and symmetrical (no side buns, etc.) in appearance and must not interfere with the proper wearing of uniform headgear.
- b. Faddish, eccentric or exaggerated hairstyles are not authorized for wear in uniform. Examples include, but are not limited to hair designs or sculpting (i.e., eccentric directional flow, abrupt difference in length, shaved portions, severe angles or spiking, etc.), buns with loose hair protruding and any hair styles that are not neat and professional.
- c. Hair must not fall beyond 2 inches below the bottom edge of the collar in the back nor cover rank insignia in the front.
- d. Bangs, if worn, **MAY NOT FALL INTO THE LINE OF SIGHT**, may not interfere with wearing of headgear, and must lie neatly against the head.
- e. A zero fade is allowed, but can only extend a maximum of two inches up from the hairline (you cannot shave the side of your head).
- f. If used, inconspicuous hairpins, barrettes, combs, etc. are authorized **ONLY** if consistent with the hair color and concealed by the hair. Plain ponytail holders will be consistent with the hair color and need not be concealed. Headbands, scrunchies, alligator clips, bows, glitter, etc. are conspicuous and not authorized in the cammie uniform.
- g. **FEMALE CADET HAIR STYLES.** There are three hairstyles; short, medium and long. Standards specific to each style are included below.
- 1) **SHORT HAIR:** does not extend past the uniform collar, extends no more than 1 inch from the scalp, may be **NO SHORTER** than 1/4 inch, and must be evenly graduated.
 - 2) **MEDIUM HAIR:** does not extend beyond 2 inches below the bottom of the uniform collar and does not cover the rank insignia in the front. Medium length hair may be

worn down in an unsecured manner or in an approved style; half-ponytail/puff or half-braids.

- 3) **LONG HAIR**; naturally extends beyond 2 inches below the collar's bottom edge. Long hair **MUST** be secured up (where all hair is neatly bound together and no portion is left to fall naturally, be loose, or have exposed ends) neatly so that no part extends beyond 2 inches below the bottom edge of the collar's lower edge or covers rank insignia. While secured up, no portion of the hair may extend more than 3 inches from the scalp and shall be no wider than the width of the head.

4. **Jewelry**: Female Cadets are **NOT** authorized to wear earrings or spacers **AT ANYTIME** in the MCJROTC utility uniform, but may wear specifically approved styles in the Service, Dress Blue and NOMMA uniforms. Males are **NEVER ALLOWED TO WEAR EARRINGS, WHILE ON CAMPUS OR ANY NOMMA EVENT REGARDLESS OF WHAT UNIFORM IS BEING WORN**, in any uniform. Females are authorized to wear earrings (no larger than 1/4 of an inch in diameter, one on each ear lobe) in the NOMMA uniform. Cadets are not authorized to wear facial or body piercings (retainers and spacers are not permitted). Necklaces are allowed, but may not be visible above or around the neck in the military uniforms and only one necklace is authorized outside the NOMMA Uniform Polo shirt - pendants can not be larger than a quarter in diameter. Watches, either digital or sweep-hand are authorized and must be inconspicuous; not overly large and may be brown, black, tan, gold or silver. In the MCJROTC uniforms, **decorative bracelets are not allowed**; medical alert and one MIA/POW/Honor bracelet are. One ring on each hand is allowed, but not to be worn on the thumb. In the MCJROTC uniforms, decorative hair accessories are NOT authorized.
5. **Finger Nails and Nail Polish**: Female cadets' fingernails may be **NO LONGER THAN 1/4 INCH FROM THE TIP OF THE FINGER**. Female cadets may wear clear nail polish, a French/American manicure, or polish within the red spectrum (to include ranges in between pinks - burgundies) with the NOMMA uniform and service uniform. In the utility uniform,

females may wear a French/American manicure; with colors ranging between clear - flesh/nude. The white nail tips must mimic the natural curve of the nail and **not create** a wedge or 'V' shape. Colors not noted above and jewelry are NOT authorized. Male cadets must have neatly trimmed, short nails that do not extend past the finger tip.

6. **Make up:** must be conservative in nature/style and must compliment the individual's complexion. It will not be exaggerated, eccentric, faddish or contain sparkles/glitter, etc. Clear lipstick or conservative, light shades of pink - burgundy may be worn in any uniform. If used, lip liner must be the EXACT same color as the lipstick. False eyelashes are allowed so long as they are natural in appearance and do not touch the eyebrows.

7. **Contact Lenses:** contact lenses must imitate natural eye shape and color (i.e. the iris). Sunglasses, whether prescription or not, are not allowed indoors and while in formation.

MCJROTC UNIFORM STANDARDS

- a. Properly wearing the uniform is a significant part of the cadet's MCJROTC experience and grade. **CADETS ARE REQUIRED TO PROPERLY WEAR THE ACADEMY OR MCJROTC UNIFORM IN ITS ENTIRETY TO AND FROM SCHOOL AT ALL TIMES.** The SMI will prescribe which uniform is the uniform of the day. **CADETS** are required to know uniform wear assignments and will wear the prescribed uniform accordingly. The uniform cover (cap) is a required part of the uniform; cadets must maintain accountability for their cover and are required to wear it at all times when outdoors and in uniform. A watchcap Cadets who refuse or repeatedly fail to wear the uniform correctly will receive disciplinary action according to NOMMA discipline policy.
- b. Cadets will be issued a Marine Corps uniform during orientation week. Uniforms are issued free of charge as long as they are returned in serviceable condition when a cadet graduates or withdraws from NOMMA. Cadets are responsible for the care and cleaning of the uniform they are issued. Cadets will be evaluated everyday on their ability to properly wear both the Military and Academy uniforms (to include sports uniforms when worn).
- c. Cadets are inspected in their uniform several times each month, and because this is a graded event, if a cadet misses and fails to make up the uniform inspection within 5 school days, he or she will receive a failing grade for that uniform inspection. Three failing uniform inspection grades during a marking period may result in Extra Military Instruction. Additionally, Cadets are required to follow all grooming standards in order to pass inspection. Grooming standards are detailed in the section above, titled "Appearance and Grooming Standards." Required grooming and uniform standards will be taught during orientation at the beginning of the year, in the MCJROTC classes, and reinforced throughout the year as needed. This information can also be found in the cadet guidebook.
- d. Federal law imposes certain restrictions on wearing the Marine Corps uniform. Cadets are given detailed instruction on when, where, and how to properly wear the MCJROTC uniforms. It is important to note:
 - Cadets may only wear the MCJROTC uniform while at school and directly traveling to and from school.
 - Cadets may not wear the uniform in any other building including any type of store, restaurant, gas station or doctor's office whether accompanied by a parent/guardian or not. The LSU gym on Federal City is NOT AUTHORIZED – cammies are expressly prohibited.

- Cadets can change out of their uniform before leaving school if they need to make a stop before reaching home.
 - Off campus uniform violations will result in disciplinary action which may include, but is not limited to an Out of School Suspension.
 - Unauthorized use of and the improper wearing of the issued uniform will result in disciplinary action.
- e. Cadets are expected to keep the uniform clean, pressed and in good repair. Seasonal Service Uniforms and Dress Blue Uniforms require dry cleaning whereas the MARPAT Utility and PT uniforms may be laundered. ALL LAUNDERING, DRY CLEANING, PRESSING, AND BUTTON REPLACEMENT ARE THE CADET'S RESPONSIBILITY WHILE THE UNIFORM IS IN HIS OR HER POSSESSION. A uniform at the cleaners DOES NOT excuse a cadet from inspection. **ALL DRESS/SERVICE UNIFORMS MUST BY DRY CLEANED. DO NOT WASH THEM AT HOME. The MARPAT utility uniform should be washed at home.**
- f. Changing out of uniform for physical education or extracurricular activities may be required. Cadets are only permitted to wear Physical Training (PT) gear to include the red NOMMA JROTC unit shirt, during fitness sessions in JROTC classes or after school sports practice.
- g. The MCJROTC instructional staff will be able to fit most cadets without the need for alterations. The Marine Corps will pay for major alterations to the uniform if they are needed.
- h. An integral part of the MCJROTC program is to develop a sense of personal responsibility. If the issued military uniform or parts of it are lost, damaged, or stolen, the cadet will be held responsible for a monetary fee to the New Orleans Military Maritime Academy of all/any items lost/damaged/stolen, at the current uniform replacement fee. Costs are payable by check or cash to NOMMA's front office at which time the Cadet will be issued a receipt which should be presented to the Supply Office for the issue of replacement clothing.
- i. Cadets attending NOMMA can expect to wear the following uniforms:
- NOMMA Uniform (8th grade-Senior)
 - Green MARPAT digital Utility (8th grade-Senior)
 - Physical Training Uniform [green shorts/t-shirt or green sweat pants/shirt] (8th grade-Senior)
 - Marine Corps "Bravo" and "Charlie" Service Uniforms (Freshman-Senior)*
 - Marine Corps Dress Blues (Freshman-Senior)**

*Selected Freshmen - Seniors that achieve academic and leadership excellence may be issued the Marine Corps Bravo or Charlie uniform. This is typically in conjunction with assignment to a leadership billet and approval/recommendation by their JROTC Instructor.

**Cadets on the Drill/Color Guard teams, serving in key leadership positions, and approved band or choir members will be issued the Marine Corps Dress Blues.

Grading Policy For MCJROTC:

Tests/Exams, Quizzes, and Practical Application Exercises (i.e., uniform inspection, PACE [Performance, Attitude, Cooperation, Effort/Enthusiasm] and physical training) are administered to measure performance and retention of the subject matter taught. Since PACE and Uniform Inspections are an important part of character development there will be multiple grades in those areas each grading period. The MCJROTC grading scale mirrors the NOMMA grading scales.

93% - 100%	= A
85% - 92%	= B
75% - 84%	= C
67% - 74%	= D
0% - 66%	= F

Grading standards are established in Department rubrics, which specify criteria for scoring academic papers, projects, presentations, tests, quizzes, inspections, etc.

Promotions:

Cadets can be promoted twice per school year and when designated as the Academy's Cadet of the Quarter. During the school year promotion eligibility is based on semester academic performance, merits/demerits, class conduct (PACE grade), school participation, teacher merit/demerit recommendations, tardies/absenteeism (fewer than 10 unexcused tardies and 7 absences per semester), disciplinary referrals, current passing YPFT score, and SMI/MI recommendations for that promotion period.

At times it may be necessary or desirable to conduct an accelerated promotion in order to fill crucial leadership gaps within the rank structure or based on noteworthy achievement. This may only be done under unique circumstances and with the explicit recommendation by the SMI.

For promotion during 8th grade, in addition to the criteria listed above, cadets must meet the following at the end of each semester: Pass all classes and have a minimum 2.75 GPA; have 3 or fewer ISS's, no OSS's; fewer than 10 demerits; and score at least 100 on the current YPFT. 8th grade cadets may only be promoted up to PFC during scheduled promotion periods.

12th Grade: SGTMAJ/CADET OFFICER RANKS

MCJROTC TEAMS

The MCJROTC unit leads and supports several teams in order to develop a multitude of leadership skills. Our goal is to attract any and all cadets that want to commit themselves to the team, attending all practices and competitions. Team membership requires consistent participation, good grades and good conduct. Failing grades and suspensions will be grounds for being placed on probation and possible removal from the team until grades or conduct improves. During the 4th Qtr Coaches will consider and may select one cadet to be recognized as the teams' Most Valuable Player. Presentation of this award will be in a suitable ceremony near the end of the year.

Drill Team:

The MCJROTC Drill Team is made up of cadets who are particularly interested in the sharpness and precision developed by Close Order Drill and the Manual of Arms. They represent the MCJROTC unit in parades, ceremonies, and competitions. CUSTOMS AND TRADITIONS OF THE MARINE CORPS

- In Washington, D.C., the license plate of the Commandant of the Marine Corps is “1775”
- Since the 1920s, the English bulldog has been the official mascot of the Marine Barracks in Washington, D.C.
- All Marine posts have a bell, usually from a decommissioned U.S. Navy warship.
- The Marine Corps celebrates its birthday November 10th, and it is the top social occasion of the year. A cake, if included as part of the ceremony, is cut with a Mameluke sword, and slices are presented by the senior Marine to the youngest and oldest Marines present.
- The top of a Marine officer’s cover is decorated with an embroidered quatrefoil (a cross-shaped braid), allegedly added in 1859 so that Marine snipers in the rigging of a ship could more easily identify their own officers on the deck below, so as not to shoot them.

- When Marines enter a boat or vehicle, the junior person goes first and takes the less desirable places in the middle or front. When debarking, the senior leaves first, while the juniors follow in order of rank.
- The slogan *First to Fight* has been on recruiting posters since World War I.
- The “*Marine’s Hymn*” is the oldest of the official songs of the Armed Forces and begins with the lyrics “From the Halls of Montezuma to the shores of Tripoli...” .
- The Mameluke sword, which has been used by Marine officers since 1826, is the weapon with the longest service in the U.S. military. The sword gets its name from the cross-hilt and ivory grip, both of which originated in Arabia and North Africa. The second longest service goes to the ceremonial swords carried by Marine sergeants, a tradition that began in 1850.
- The red-colored leg strip on a Marine’s Dress Blue uniform is known as the “Blood Stripe,” in remembrance of the Marines who stormed Chapultepec Castle in Mexico City during a bloody battle in 1847.
- Every New Year’s Day since 1869, the Marine Band has serenaded the Commandant of the Marine Corps at his quarters. Afterward, the band members are invited inside for breakfast and hot-buttered rum.
- According to Navy Regulations (1865), Marines are always the last to leave a ship – other than the ship’s captain – when the ship is being abandoned or decommissioned.
- The phrase “*Tell it to the Marines*” allegedly comes from King Charles II, who was shocked to learn about flying fish from a sea captain. He turned to a colonel of the Maritime Regiment (a precursor of the Royal Marines) and asked if it was true. The colonel confirmed it, whereupon Charles II decreed that from then on anytime a strange thing was present, “...we will tell it to the Marines, for they go everywhere and see everything, and if they say it is so, we will believe it.”
- All Marines salute a Medal of Honor recipient, regardless of rank.
- A Marine will fight and die rather than permit the national colors or a marine corps color to be dishonored or captured. If capture seems likely, the flags are burned.

In the air, on land, and sea.

First to fight for right and freedom,
And to keep our honor clean,
We are proud to claim the title
Of United States Marine.

Our flag's unfurled to every breeze,
From dawn to setting sun.
We have fought in every clime and place,
Where we could take a gun.

In the snow of far off northern lands,
And in sunny tropic scenes,
You will find us always on the job,
The United States Marines.

Here's health to you and to our Corps,
Which we are proud to serve.
In many a strife we've fought for life,
And never lost our nerve.
If the Army and the Navy,
Ever look on Heaven's scenes,
They will find the streets are guarded by,
United States Marines.
