

7 Apr 2020

Dear NOMMA Parents and Guardians:

[Incluido la versión en español aquí.](#)

I hope this eMail finds you and your family safe and healthy. Due to Governor Edwards' recent proclamation extending the "Stay At Home Order" until 30 April, the New Orleans Military and Maritime Academy (NOMMA) will not resume classes until 4 May 2020. Should there be a change to this schedule, we will notify you via eMail, robo-call, and updated information on our website. Click [here](#) to read the extended stay at home order

As we are now in our 4<sup>th</sup> week of online education, please ensure your cadet(s) are logging-in to Google Classroom each day, Mon-Fri, and completing assigned work. It is imperative that cadets are fully engaged with their schoolwork and studies in order to master the skills for each of their subject area classes and are prepared to advance to the next grade level, or in the case of seniors, are completing graduation requirements.

Please note that teachers are posting new assignments Monday through Thursday of this week. This Friday, counselors will post optional social-emotional learning activities. NOMMA's Spring Break has been rescheduled for the week of 13 – 17 April. No new assignments will be posted during Spring Break, so it serves as an opportunity for cadets to get caught up on any class work not yet completed and provides time to relax. Cadets may also contact their teachers if they wish to re-do any assignments from Quarter 4. Some teachers may also offer optional bonus assignments during Spring Break as well.

NOMMA teachers, counselors and staff continue to work diligently to educate your cadets and stand ready to provide additional support as necessary. Contact the appropriate teachers and administrators if you have questions or need assistance.

Please continue to protect yourself and your family members and follow recommended best practices from city, state, and national authorities.

Be sure to check NOMMA's website and the below links for the latest information.

*Leadership, Self Discipline, and World Class Academics*

Thank you for all you do for your cadet's educational success and for your support during this challenging period for our city, state, and nation.

Stay well!

Thank you,

Col Chris Schlafer, USMC (Ret)

Commandant

New Orleans Military and Maritime Academy
